

Project self and buddy evaluation Report

Student #	222003978
Surname and Initials	Aiyer V.A.
Project Title	MedScanSum : Provides insightful summaries of medical terms found in text.
Own Rating (%)	100%

Self -evaluation Report
I completed the project solo, as I did not think that being part of a group was compulsory. I think I did a good job in terms of the development of the project and illustrating my understanding of NLP techniques.
